

2022 ANNUAL REPORT

Vision:

Everyone lives in hope, comfort, and peace.

Mission:

Create and deliver handcrafted items to adults and children worldwide.

With your generous and creative help, we:

- Supported over 19,000 people in 20 countries with warm handmade items.
- Hosted our first online Create-A-Thon and raised nearly \$5,000 and connected with our community
- Welcomed two new staff members!
- Received just over 12,000 items from our Peace Pods and makers
- Met our fundraising goals and expanded our financial sustainability.

We have served over 223,000 people since 2006!

Each year, Knitting4Peace helps bring handmade items to people across the world, providing warmth and hope. Thanks to our volunteers who made and delivered handcrafted items in 2022 and to all of our donors for your generous financial support. We still have work to do and with your help, anything is possible. We are all making a difference, one stitch at a time!

With gratitude-

Kelly Wulf, Executive Director

"I feel warm when I wear my gloves and warm when I see my doll."

- Yuleica, 5th grader

2022

PEACE PODS

In 2022, we reached out to all our Peace Pods to learn more about them.

We also encouraged our Pods to donate locally to help with the environmental and financial cost of mailing items to us in Denver. Without our Peace Pods and individual makers across the country, our work would not be possible. Thank you!

Where are our Peace Pods?

*"Whoever made this
for me must be an
angel."
-5th grader, Denver*

ANNUAL INCOME

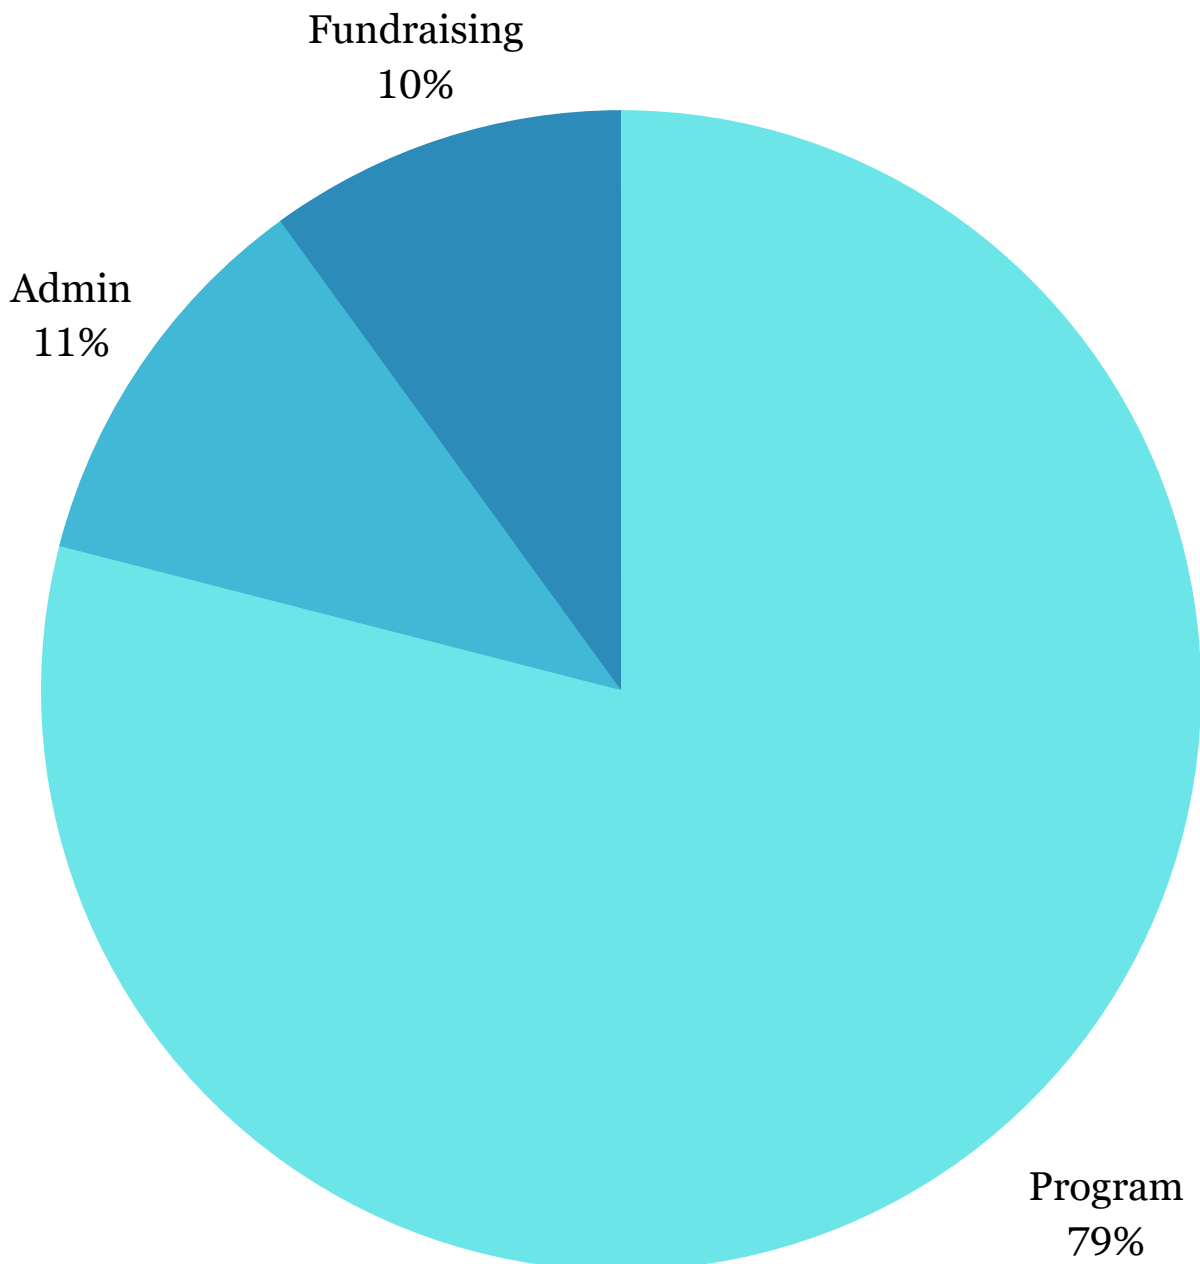

In 2022, we held our inaugural Create-A-Thon, which was a huge fundraising success. Thanks to that online event, Colorado Gives Day, and our Annual Fundraising Letter, Knitting4Peace had our most successful year ever!

We are grateful to the individuals who choose to donate to our mission month-after-month and year-after-year. You truly are the backbone of Knitting4Peace.

ANNUAL EXPENSES

As responsible stewards of your financial gifts, we work to ensure the majority of your dollars go directly to programming instead of administrative costs. In 2022, we spent 79 cents of every dollar on programming. When you give to Knitting4Peace, your money truly makes a difference.
